January, 2012

Dear

It is that time of year when we at Tyburn Academy are planning our annual Casino Night. This year our event will be held on Saturday, March 3rd at the Holiday Inn in Auburn. This event includes great food, wonderful music and many games and prizes, including the main raffle of our 2011 Chevrolet Camaro SS Convertible. Last year this event was a great success, thanks to the generosity of people like you.

Donations of raffle for past events have been very helpful. Every prize donated received many bids, so each of our donors received advertising to a large local market. With such charity we were able to offer a wide variety of prizes to our attendees.

We are humbly asking for your help this year so that we can continue the tradition of a great night for our community to celebrate together. We appreciate your generosity and support of this event to help Tyburn keep tuition low and support our needy families.

We will graciously accept donations at Tyburn Academy by February 16, 2012. Please contact Tyburn Academy at 252-2937 with questions.

Sincerely,
